

## Toilet Tissue Game

Number of People	Approximate Time	Items Required
Unlimited number	1 minute per sheet	Toilet tissue or individual candies, such as M&Ms or Hot Tamales.

This exercise is a fun way to get people to share information about themselves in any kind of setting.

1. Form a circle.
2. Pass the roll of toilet tissue and tell each person to take as many sheets of paper as they want. (Don't tell them why).
3. When the toilet paper has been passed to each person tell the group for every sheet of paper taken the person has to share something about themselves with the group, and you may start with the leader.
4. Either go around the circle one sheet at a time or have each person share until he or she has used up their sheets.
5. As each person shares have them rip off the sheet and place it in the center of the circle.
