Number of People	Approximate Time	Items Required
Groups of 6 or less	5 minutes plus 1-2 minutes per person	Flip chart or board for each team Magic markers for each team

This introduction game allows participants to examine their goals and objectives for the class.

1. Divide the class into small teams of no more than 6 people.
2. Instruct each person to identify one objective related to class.
Allow 5 minutes for the activity and post each objective on a flip chart.
3. Have each person introduce him or herself and share his or her objective with the rest of the class.
